

## mcm coffee shop

You will find our cozy little coffee shop on the corner of Van der Lingen Street and Pastorie Avenue. We are a peaceful little haven if you want to escape from the hustle and bustle of everyday life. We are a Street off the Main Street, which makes us a little quieter and more tranquil.

We do not only have a lovely Stoep in front, but also an adorable little garden at the back – with a swing and sandpit for kids. Upstairs you will find a conference venue as well as a space furnished for smaller meetings, bible study groups or whatever your need might be.
